This bibliography attempts to present the publications on the history of the Cold War published after 1989, the beginning of the „archival revolution” in the former Soviet bloc countries. While this first edition is far from complete, it collects a huge number of books, articles and book chapters on the topic. An enlarged and updated edition will be completed in 2018.

The Cold War History Research Center owes special thanks to the Parallel History Project on Cooperative Security (formerly: on NATO and the Warsaw Pact) in Zurich–Washington D.C. for their permission to use the Selective Bibliography on the Cold War Alliances, compiled by Anna Locher and Cristian Nünlist, available at:
